

New Publication Next Week!

The Southwest

GRAPHIC

Remember to watch for your new SOUTHWEST GRAPHIC next week on Wednesday.

That's the day (June 11) when the new publication will make its debut as the successor to the Lockport Herald, Lemont, Hampton Park Herald, Mokena News Bulletin, New Lenox Press and Frankfort Leader.

For many months Graphic Newspapers has been planning a publication which would provide readers with news coverage more complete and exciting than ever and advertisers with a media serving a larger segment of their market.

Tri-County Publishing Co., publishers of Graphic Newspapers, has invested more than \$100,000 in new equipment toward that goal.

The current publications now are the most widely circulated and provide the best community news coverage of any newspaper in their respective area.

The new SOUTHWEST GRAPHIC will be even better. It will serve an area of 200 square miles north and east of Joliet, print via the offset process and circulate, mostly by second-class mail, to more than 11,500 families each week on Wednesday.

In this age when rapid transit extends a person's activities and interests across a much larger area, the SOUTHWEST GRAPHIC will inform readers of all important events in the county and in surrounding communities as well as in his own.

The newspaper will be much larger and more comprehensive than any of the predecessor publications.

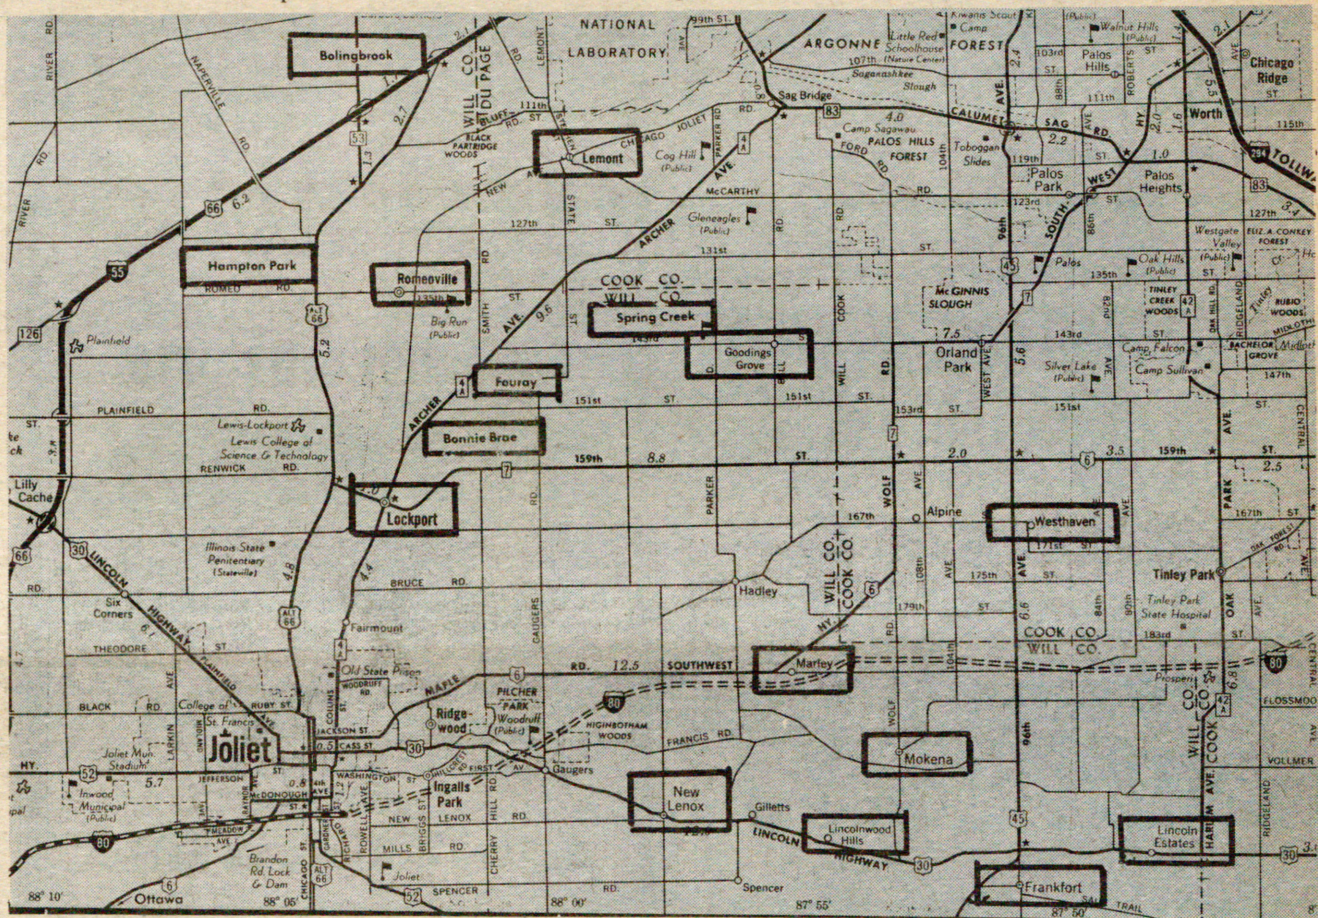

For advertisers it will provide the opportunity of placing his message before an important percentage of the market in one much simpler transaction.

May we suggest that interested merchants telephone our General Advertising Manager, Pete Costello, via telephone at 257-2236, so that you won't miss being represented in the first exciting issue.

Subscribers to the predecessor publications are advised that you will receive the SOUTHWEST GRAPHIC via mail or carrier the same as which ever newspaper previously had been delivered to you. All subscriptions will be honored without any increase over the same low price.

Persons interested in subscribing to the SOUTHWEST GRAPHIC should telephone 257-2234, or write to Circulation Department, Graphic Newspapers, 200 Main Street, Lemont, Ill. 60439.

Subscriptions are \$4 per year or \$7 for two years paid in advance and delivered by second-class mail.

Taxpayers Groan Under Burden Of 1968 Rates

The 1968 tax bills have all been delivered by this time in Will County and no one has mistaken them for letters from Santa Claus. Will County taxpayers are groaning.

Taxes, like the astronauts, have gone sky high, according to the figures released

by the county clerk's office.

County Clerk Clara Hartley Woodard stressed the fact that her office just figures the tax rates—it isn't responsible for the amount of the taxes. A taxing body figures out how much money it needs and then levies for that amount. The county

clerk's office then figures what the rate must be to raise the amount levied.

The schools, as usual, get the biggest bite of the tax dollar. In Will County the schools get about 72 per cent of the taxes.

Assessed valuations are reported up and theoretically higher valuations should bring lower taxes but it seldom works out that way, observers point out, for the simple reason that most of the taxing bodies need more money than they get. The higher valuations give them more revenue if they keep their levies up.

Mokena residents, for example, have a total tax rate of \$6.083 per \$100 equalized assessed valuation.

Of this amount the grade school (Dist. 159) has a rate of \$2.076, a jump of 23 cents six mills over the 1967 rate of \$1.84; Lincoln-Way High School's rate of \$1.94 is up 25 cents over the 1967 figure. The Joliet Junior College rate of .125 cents is up three cents over the previous year. The tax rate for the Village of Mokena is .697 for 1968, an increase of .034 over the previous year.

The library district rate is .114 and the park district .103.

In the Village of Frankfort the total tax rate for 1968 is \$5.737, a hike of 89 cents over the 1967 rate. The grade school (Dist. 157-C) rate is up 28 cents, from \$1.529 to \$1.802. The rate for village purposes is .784, an increase of almost 10 cents. The 1967 village rate was .685 cents. The rate for the newly organized Frankfort Park District is .087 cents.

The rate for Summit Hill School District 161 (Arbury Hills) for 1968 is \$2.076, which is an increase of seven cents over the previous year. The 1968 rate in Ann Rutledge School District 56-C is \$2.143 as compared to \$1.794 for 1967, an increase of .349 cents.

Frankfort Town Collector Burnett Schramm will accept tax payments up to July 1. Beginning that date taxes must be paid at the county treasurer's office in the courthouse at Joliet, and penalties will start on that date for late payments.

Ordinarily the tax deadline for the first installment of real estate and full pay-

ment of personal property taxes is June 1 but the county board extended it to July 1 because the bills could not be gotten out in time.

Schramm will collect taxes at the Frankfort State Bank June 6, 14, 20, 28, and 30, and at the Mokena State Bank on June 7, 13, 21, and 27, he announced. His hours will be the same as the bank's hours.

Town Collector Alfred Emiley, of New Lenox, will collect taxes only at the New Lenox State Bank. He will be at the bank every banking day during the bank's hours of business, thru June.

The total rate for residents living within the village of New Lenox for 1968 is \$5.67 per \$100 equalized assessed valuation. This 85 cents higher per \$100 than the previous year.

The rate for the grade school, District 122, is \$1.853, or 26½ cents higher than it was for 1967. Property owners living in New Lenox Township in the Joliet High School District will pay \$1.624, an increase of approximately nine cents. Those living in the Lincoln-Way High School district will have a rate of \$1.94.

The rate for the Village of New Lenox, for village purposes, will be .638 cents, a drop of two cents from 1967.

The total rate for residents in the Village of Manhattan is \$5.69 per \$100 equalized assessed valuation, a jump of \$1.05 over the 1967 rate. The rate for village purposes there is .699 cents, a raise of five cents. School District 114 has a rate for 1968 of \$1.902, a jump of 47 cents.

The deadline for payment of the second installment on real estate taxes will remain Sept. 1.

And now the state legislature are expected to add to the tax burden with a state income tax, observers pointed out.

L-W Team SWS Baseball Champs

The Lincoln-Way High School baseball team won the Southwest Suburban Conference championship this spring, and went on to win the district title but lost out there to Tinley Park.

In winning the SWS championship the Knights had 12 wins and two losses, one of them at the hands of Evergreen Park. And Lincoln-Way won the conference title when it put away those same Mustangs last week. The revenge was doubly sweet because the Knights blanked their foes, 3 to 0.

Winning the conference title was a great thrill for the school, the team and the

coach, Bob LeZotte. This was LeZotte's first year as varsity coach.

He had some excellent seniors this year, Craig Otto, Mike Buske, Jerry Hearn, Larry Batson, Todd Mangun and Doug Gougar. Gougar not only was a good pitcher but he was also a good hitter.

LeZotte emphasized that Lincoln-Way's success was thru team effort.

"Everyone worked hard, everyone hustled," the coach said. "And that was for the entire season. I'm proud of every member of the outfit, from the starters to the reserves."

Dist. 230 Board, Faculty Agree On Pay Schedule

Months of Professional negotiation meetings culminated successfully when District 230's board of education accepted the 1969-70 career guide which the teachers association had approved.

Board president Harwood Stellwagen said that he was "pleased that the negotiations were carried out as they were." He expressed his appreciation for the cooperation and understanding of the teachers association.

Supt. W.O. Fisher added that the three teachers on the negotiations committee should be commended for their professional attitude and constant attendance at the myriad meetings that led to the career guide. The teachers' committee was headed by Edward DeYoung, Sandburg physics teacher and the members were James Huff, Sandburg social studies teacher and Tom Albert, Stagg English teacher. DeYoung said that, counting hours spent research of school finance and law, he estimated that the committee spent more than 300 hours working towards the negotiations.

The new salary schedule calls for \$7,100 for beginning teachers with a bachelor's degree and \$7,800 for beginners with a master's degree. Guidelines for 1970-71 schedule were also set at

\$7,650 for the bachelor's and \$8,400 for the master's. These latter figures can be adjusted depending on the situation in other nearby schools.

The career guide also includes health insurance; provisions spelling out policy on working conditions, summer school teachers, professional leave, and athletics.

At its May 26 meeting, the board granted permission to the superintendent to work out details so Chicago Christian High School could use Sandburg's football field on two dates next fall. Insurance, cost of custodians and groundsman, and a small fee for each night were outlined. The dates are Sept. 13 and Oct. 25 and will not conflict with Sandburg or Stagg teams which now use the field. The board expressed the idea that the field should be made available since good community relations were involved with many parents of Chicago Christian students living in and paying taxes in District 230.

Also at the May 26 meeting, bids on gasoline, bread, fuel oil, milk, and paper supplies for 1969-70 were accepted. The board discussed information items on the special education cop, year-round school, ar-

ticipation with elementary schools, and school legislation pending.

A letter from Frank Wing, Sandburg science teacher, who just returned from an expedition to the Galapagos Islands, was received. Wing was part of a group led by Roger Tory Peterson, famous naturalist, who studied marine animals and birds in the sanctuary off the coast of Ecuador.

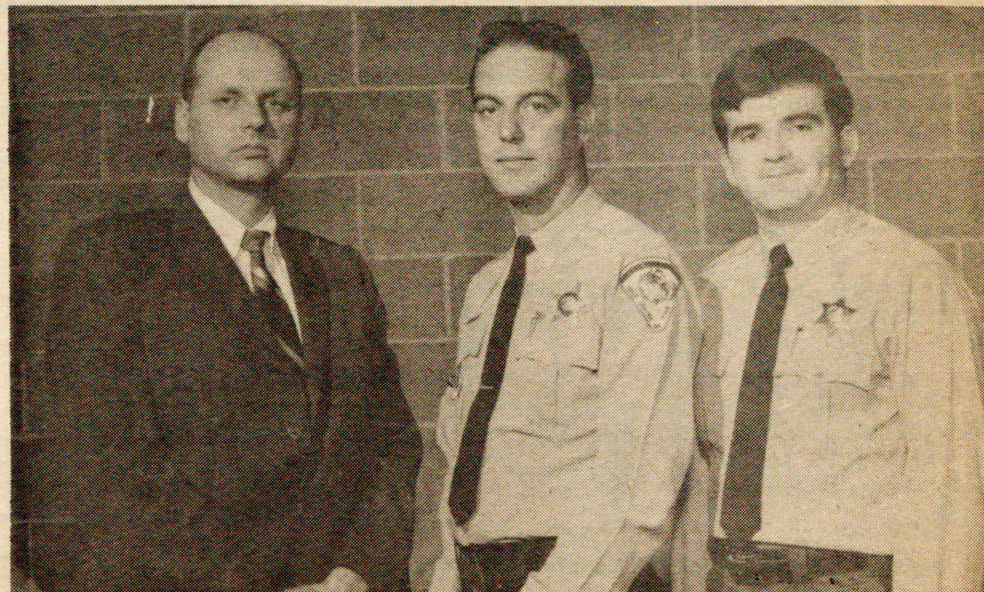

In other business May 5, the board agreed to hire as dean of boys at Carl Sandburg High School, Robert Gadt, a former coach and drivers' education teacher, now on Sabbatical leave for a year to secure an advanced degree. The board also approved the hiring of an aquatic director for Stagg High's new pool. He is Bill Owen, presently on the staff of Willowbrook High School.

At the April 28 meeting, the board accepted the low bid for three busses from English and Sons Ford. The busses will seat 66 passengers and will have Carpenter bus bodies and upholstered seats. The low bid per bus was \$7,085.90.

Graduation at both schools will be June 13. The two senior board members will distribute diplomas: Harwood Stellwagen at Sandburg and John Daliege at Stagg.

Cool To Mobile Hot Dogs

A request for a license to operate a mobile lunch stand in Orland Park was tabled at the Orland Park village board at its meeting last week.

The trustees expressed the fear that such an enterprise would not be conducive to any "keep the streets clean" campaign, in the event the village would want to conduct one.

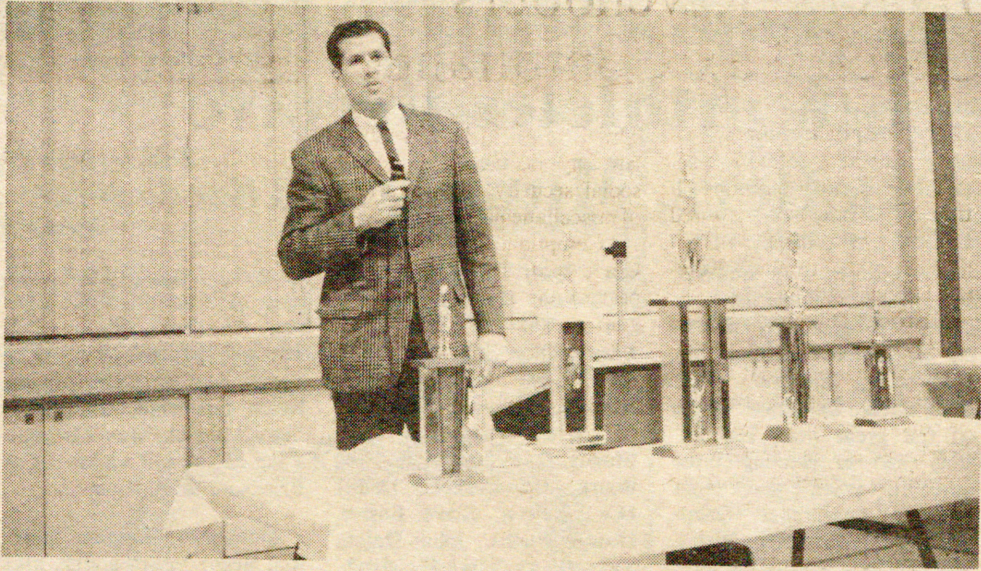

As it is, it was brought out at the meeting, the trash cans spotted about the streets to prevent littering, are filled to capacity and unless they are emptied promptly, they could be filled to overflowing.

Jiggers! Revenooers Check Tax Compliance

A "compliance survey" of many northern Illinois business firms to determine if they are filing all required Federal tax returns will begin soon, the Internal Revenue Service said today.

District Director Eugene C. Coyle, Jr., said the survey will take about three months to complete and will be conducted by Revenue Officers. A cross section of non-farm businesses will be checked to see if all required tax returns are being filed.

Coyle said the current survey is not designed to determine whether returns are accurate but only whether all required returns are filed. The survey will also be used to check the completeness of the IRS Master File of business taxpayers.

Most businesses comply conscientiously with the tax laws, Coyle said. However, he added, these laws are complex, and some business taxpayers may not be fully aware of all the tax returns which apply to their particular business operations.

These may include returns covering income, withholding, social security, and a variety of miscellaneous excise taxes.

"Compliance surveys" Mr. Coyle said, are a continuous part of the regular IRS program to maintain high levels of taxpayer compliance.

Most of the delinquencies brought to light will be the result of honest misunderstandings and oversight. But the rare instances of flagrant abuse which may be discovered, will be dealt with according to law, he added.

"While it's true, Miss Borst, we don't spell out proper faculty attire...we do have rules!"

Dear friends,

When the family makes the funeral selection, they are usually influenced by the opinions and tastes of the one who has passed on. For that reason, prearrangement is advisable.

More and more this idea is being accepted, especially among older people. Complete funeral arrangements can be made with us in confidence and kept on file.

The family is thus relieved of many responsibilities and difficult decisions.

Arbury Hills 1969 Baseball Season Opens With A Parade

MRS. EDWARD HOVI
Telephone 479-5740

In spite of the less than ideal weather, the Arbury Hills Baseball League opened their 1969 Baseball Season with a parade and a double header following it.

As has been the custom in previous years, there were awards given in various categories to those adjudged the best.

There were four judges present at the judges stand: Lou Cerny of the Tinley Gardens Homeowners Association; Carlin French of the Arbury Hills Civic Association; John Hayden one of the members of the School Board who represented Mr. Avila the superintendent; and Tom Fletcher of the Arbury Hills Lions Club.

The Over All Best of the Parade award was given to the Imperials Marching Group. The Best of Fire Department award was given to the Frankfort Fire Department. The Best Marching

Group award was given to the Lancers. The Best Float award was given to the Arbury Hills Civic Association.

In the children's section of the parade there were three awards given; Jennifer Hurd, Jason Allred, and Carrie Hayden. Congratulations to all and our gratitude to all the entries who made the parade a success.

Following the awarding of the trophies there were two games played at the field. The two Farm Teams were matched against each other and the Green Farm Team under the management of Jordan Marzano defeated the Red Farm Team under the management of Romeo Sanzosti.

There was also a second game which was played between the two "B" Teams. In this match the B Team headed by Edward Vander Veen defeated the B Team headed by Vern Crowder.

The score of the Farm Team game was seven to three and the B Team game ended with the score of four to three.

To add to the enjoyment of the day for the youngsters, Mr. Joseph Henderson provided both horses and ponies for riding. The money raised in this manner was then donated by Mr. Henderson to the Baseball League. A fine gesture, kind sir!

Next time you see Mr. and Mrs. Vern Crowder pass by, give them a well earned pat on the back for their efforts as co-chairmen of the parade. Speaking as a too well grown-up child, the parade was a

joy to watch!

The first meeting of the Summit Hills Parent-Teacher Organization of the newly elected officials and committee chairmen was held at the home of Mrs. William Searles, President.

The new officers are: Mrs. William Searles, President; Mrs. David Juric, Vice President; Mrs. Harold Price, Secretary and Mrs. Charles Evans, treasurer.

Our Girl Scout representative wanted to call our attention to the fact that there is an urgent need for leaders in the Girl Scout Program at the Brownie and Junior level. Anyone who would be interested in helping may call Shirley Boothe at 479-5586. We should all try not to let these little girls be disappointed. Their motto is "to help other people at all times", why not have some of us big girls try and help them out too.

Mrs. Greene the Block Parent Chairman would like to know if there are any parents in the Arbury Hills or Tinley Gardens area who would like to become block parents, if so, please contact Mrs. Greene at 479-5098. We all know how important that little orange sign can be if some little child has a problem or is hurt. Block Parents are to keep an eye on our children. Mrs. Greene is waiting for your call at 479-5098.

All of the new board officers and chairmen hope each and everyone of you has a pleasant and safe summer and will see you at our first Parent - Teacher organization Meeting in September.

There have been many pros and cons - understandings and misunderstandings - concerning the formation of a fire district in the Orland Area.

Ray Nihlean, who is well versed in this subject, will

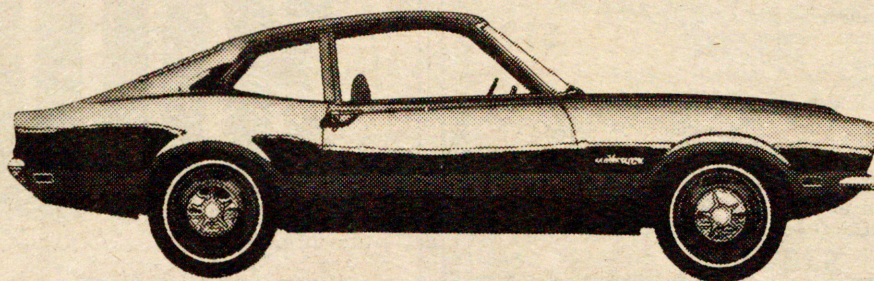

be the guest speaker and will also have a Question and Answer period.

Everyone should be interested in the future of the Orland Park Volunteer Fire Department and the people of the community.

The people will have the opportunity to vote on the formation of a fire district in the very near future, therefore, everyone is invited to attend this meeting.
